The Builder Hive site is one of our partner management platforms that is used by our Capacity Network Partners for on-boarding, and expert assessment and management. Subject to this Agreement, Builder provides the Site Services to Partners, including hosting and maintaining the Site, and facilitating software and app development.

You also acknowledge, agree, and understand that Partners are solely responsible for determining, and have the sole right to determine, which Projects to accept; the time, place, manner, and means of providing any Partner Services; the type of services to provide; and agree or disagree to the price to charge for your services. You further acknowledge, agree, and understand that: (i) you are not an employee of Builder, and you are not eligible for any of the rights or benefits of employment (including unemployment and/or workers compensation insurance); (ii) Builder does not, in any way, supervise, direct, or control any Partner or Developer Personnel. Nothing in this Agreement is intended to prohibit or discourage (nor should be construed as prohibiting or discouraging) any Partner from engaging in any other business activities or providing any services through any other channels they choose, provided, if applicable, Partners comply with terms of this Agreement, including the Master Partner Agreement. Partners are free at all times to engage in such other business activities and services and are encouraged to do so.

2.2 PAYMENT & INVOICING

Partner will enter information concerning the skillset and rates of its Developer Personnel on Builder Hive. Partner's compensation for the Services performed by Partner (or its Developer Personnel) will be at the posted rates on the Site. Builder will regularly generate a statement detailing the Developer Personnel who have

worked during the applicable period, the rates for the work done and the fees earned by the Partner. The statement is derived by work performed (e.g., hours recorded) in Builder Tracker™ which measures the hours spent by the Developer Personnel working with Builder. The statement will be available to view within the Site and will have a defined order number ("Capacity Partner Order Number"). The Site will allow you to convert the statement to an invoice which you must digitally sign and submit to Builder within the normal payment period. Any invoices submitted that are not consistent with the Capacity Partner Order Number will be subject to audit before processing and may not be paid within the normal payment period. If there is any discrepancy between the invoice submitted by Capacity Partner and the data generated by the Site, then the data generated by the Site will take precedence.

Builder shall pay Partner within sixty (60) days of receipt of a correct and valid invoice submitted through the Site that references the relevant Capacity Partner Order Number. If Partner disputes any payments made by Builder, Partner must notify Builder within thirty (30) days after the date of payment; otherwise the dispute is deemed waived.

2.3 PAYMENT DISPUTE

Builder may withhold or reduce from payment any amount disputed by Builder in good faith, pending resolution of the dispute, provided that Builder:

- (i) timely pays all amounts not subject to dispute;
- (ii) notifies Partner of the dispute, specifying in such notice (A) the amount in dispute, and (B) the reason for the dispute (the "Dispute Reason");

In the event of an audit of Builder, Partner agrees to promptly cooperate with Builder and provide copies of Partner's tax returns and other documents as may be reasonably requested for purposes of such audit, including but not limited to records showing Partner is engaging in an independent business as represented to Builder.

2.5 VAT AND OTHER TAXES

Builder may be required by applicable law to collect taxes or levies including, without limitation, withholding income tax or VAT (while some countries may refer to VAT using other terms, e.g. GST, we'll just refer to VAT, GST and any local sales taxes collectively as "VAT") in the jurisdiction of the Partner (the "Taxes"). In such instances, any amount Builder is required to collect or withhold for the payment of any such Taxes shall be collected under this Agreement.

3.1 RECORDS

You will (a) create and maintain records to document satisfaction of your respective obligations under this Agreement, including, without limitation, your respective payment receipt, obligations and compliance with tax and employment laws, and (b) provide copies of such records to Builder upon request. Nothing in this subsection requires or will be construed as requiring Builder to supervise or monitor a Partner's compliance with this Agreement. You are solely responsible for creation, storage, and backup of your business records. This Agreement and any registration for or subsequent use of the Site will not be construed as creating any responsibility on Builder's part to store, backup, retain, or grant access to any information or data for any period.

3.2 OPEN SOURCE COMPONENTS

You shall not include in any Software or Deliverables any Open Source Components, other than Approved Open Source Components specifically described in the Builder Open Source Policy, available at <https://www.builder.ai/terms/capacity-network-open-source-software-policy>. You shall provide Builder with a complete, machine-readable copy of the Source Code for Approved Open Source Components in accordance with the terms of the Open Source License(s) therefore at no cost to Builder.

3.3 SUBCONTRACTORS

You shall not, without the prior written approval of Builder, engage any Third Party to perform Services (including to create any Work Product) hereunder. Builder's approval of any such Third Party (each approved Third Party, a "**Permitted Subcontractor**") shall not relieve Partner of its representations, warranties, or obligations under the Agreement. Without limiting the foregoing, Partner shall:

- (ii) be responsible and liable for the acts and omissions of each such Permitted Subcontractor (including such Permitted Subcontractor's employees who, to the extent providing Services or creating Work Product, shall be deemed Developer Personnel) to the same extent as if such acts or omissions were by Developer or its employees;

3.4 REPRESENTATIONS

You, including your Developer Personnel, represent and warrant to Builder that:

3.5 FRAUD AND IMPERSONATION

You, including your Developer Personnel, shall not provide information to Builder that is false, intentionally misleading, or otherwise likely to deceive Builder or perform any action to gain an unfair advantage on the Site and Site Services, including without limitation, impersonating any person, performing Services for another, circumventing or working around security and control features of the Site or Site Services, misrepresenting your identify, skills, services, hours, or affiliation with any person or organization (collectively, "Fraud"). In the event of Fraud, Builder may seek to withhold, reduce, or cancel payment and payment obligations to you and move to immediately close your Account, at its sole discretion and with or without notice.

4. DELIVERY

4.1 PRE-DELIVERY

- (i) test the Software component of such Deliverable to confirm that it is fully operable, meets all applicable Requirements, and will function in accordance with the Requirements of the Project;
- (ii) ensure such Deliverable is free of Harmful Code; and
- (iii) prepare, test, and, as necessary, revise the Deliverable to confirm it is complete and accurate and conforms to all Requirements of the Project.

4.2 DELIVERY

You shall deliver each Deliverable on or prior to the Milestone Date and in accordance with the delivery criteria set forth in Requirements or such other criteria as may be set forth for such Deliverable in the Project.

4.3 ACCEPTANCE

Builder will have the right to review and test Deliverables for an acceptance test period ("Testing Period") of no fewer than five (5) business days after receipt by Builder (each, an "Acceptance Period" or "Acceptance Test").

If a Deliverable has any material errors or deficiencies or does not comply with the applicable documentation and/or specifications, or the Requirements ("Non-Conformity"), Builder may reject the Deliverable and provide Partner with information describing its reasons for rejecting the Deliverable.

Builder may suspend Acceptance Tests and the corresponding Testing Period by communication to Partner if Builder discovers a Non-Conformity in the tested Deliverable or part or feature thereof. In such event, Partner

shall immediately, and in any case within 3 days, correct such Non-Conformity, whereupon the Acceptance Tests and Testing Period shall resume for the balance of Testing Period.

In such case Partner will cure the deficiencies and resubmit the Deliverable for a subsequent acceptance test within the longer of 50% of the original time period specified for preparation of the Deliverable or three (3) business days, but in no event more than ten (10) business days for each Deliverable unless otherwise agreed in writing by Builder. If Partner fails to resubmit a Deliverable as set forth above, Builder will have the right to either: (i) extend the cure period for a specified duration at Partner's sole cost and expense, or (ii) cancel the Deliverable with no cost or liability to Builder.

4.4 FAILURE OF ACCEPTANCE TEST

If Acceptance Tests identify any Non-Conformities, Partner, at Partner's sole cost and expense, shall remedy all such Non-Conformities and re-deliver the Deliverable(s), in accordance with the applicable Requirements as promptly as commercially possible and, in any case, within 7 days following, as applicable, its:

- (i) completion of such Acceptance Tests, in the case of Acceptance Tests conducted by Partner; or
- (ii) Builder's communication identifying any Non-Conformities, in the case of Acceptance Tests conducted by Builder.

4.5 REPEATED FAILURE

If Acceptance Tests identify any Non-Conformity in any Deliverable after a second or subsequent delivery thereof, or Partner fails to re-deliver the Deliverable on a timely basis, Builder may, in its sole discretion,:

- (i) continue the process set forth above;
- (ii) accept the Deliverable as a nonconforming deliverable, in which case the Fees therefor shall be reduced equitably to reflect the value of the Deliverable as received relative to the value of the Deliverable had it conformed; or
- (iii) deem the failure to be a non-curable material breach of this Agreement and the relevant Requirements, and terminate this Agreement or the Project, at Builder's sole discretion.

Where there are repeated or substantial errors, deficiencies, or Non-Conformity in any Deliverables or Services provided by Partner, Builder is entitled to withhold or reduce payment to the Partner, in full or in part, pending a resolution by Partner that is satisfactory to Builder, at its sole discretion.

Partner hereby appoints Builder as Partner's attorney-in-fact with full irrevocable power and authority to take any such actions and execute any such documents if Partner refuses, or within a period deemed reasonable by Builder otherwise fails, to do so.

5.2 BUILDER MATERIALS, AND APPROVED THIRD-PARTY MATERIALS, AND APPROVED OPEN SOURCE COMPONENTS

Builder and its licensors are and will remain the sole and exclusive owners of all right, title, and interest in and to the Builder Materials, including all Intellectual Property Rights therein. Partner shall have no right or license to, and shall not, use any Builder Materials except solely during this Agreement for which they are provided to the extent necessary to perform the Services and provide the Work Product to Builder. Builder hereby grants to Partner the limited, royalty-free, non-exclusive right and license to Builder Materials solely as necessary to incorporate such Builder Materials into, or otherwise use such Builder Materials in connection with creating, the Work Product. The term of such license shall commence upon Builder's delivery of the Builder Materials to Partner or upon accessing the Site or Site Services, and shall terminate upon Builder's acceptance or rejection of the Work Product to which the Builder Materials relate. Subject to the foregoing license, Builder reserves all rights in the Builder Materials. Builder Materials shall be deemed Builder's Confidential Information.

6. CONFIDENTIALITY

In connection with this Agreement, Builder (the "**Disclosing Party**") may disclose or make available Confidential Information to Partner (the "**Receiving Party**"). As a condition to being provided with any disclosure of or access to Confidential Information, the Receiving Party shall:

You shall be responsible for any breach of or non-compliance with this Section by any of your employees and Developer Personnel.

If the Receiving Party or any of your representatives is compelled by applicable law to disclose any Confidential Information, then to the extent permitted by applicable law, the Receiving Party shall: (a) promptly, and prior to such disclosure, notify the Disclosing Party in writing of such requirement so that the Disclosing Party can seek a protective order or other remedy, or waive its rights under this Section and (b) provide reasonable assistance to the Disclosing Party in opposing such disclosure or seeking a protective order or other limitations on disclosure. If the Disclosing Party waives compliance or, after providing the notice and assistance required under this Section, the Receiving Party remains required by law to disclose any Confidential Information, the Receiving Party shall disclose only that portion of the Confidential Information that, on the advice of the Receiving Party's legal counsel, the Receiving Party is legally required to disclose and, upon the Disclosing Party's request, shall use commercially reasonable efforts to obtain assurances from the applicable court or other presiding authority that such Confidential Information will be afforded confidential treatment or attorney's eyes only.
